How You Can Reach Me

I'm Jeannie Darneille, your state Representative.

I ran for the legislature because I believe we can work together to improve our schools, our communities, and our quality of life. And I am committed to doing this in a manner that both promotes our values and protects our most vulnerable citizens- children, the elderly, and the disabled.

During the next two years, I will work hard on all of the issues that are important to the citizens of the 27th District: education, transportation, health care, jobs, and the environment. The citizens of the 27th District deserve a strong voice in Olympia on these and other important issues.

I've been assigned to the following committees:

- Children and Family Services
- Health Care
- Juvenile Justice

I am serving on these committees as a result of my extensive experience working in human services and health care over the last two decades. However, I am learning a great deal about the many other issues of concern to our community. With the help of my legislative assistant, Evie White, who worked with Senator Lorraine Wojahn for over 20 years, I will do my best to advocate for the citizens of the 27th District.

Please continue to provide your input on legislation or other matters involving state government. Also, please alert me to community events happening in the 27th District. I will be happy to attend if my schedule allows.
